GIANT RIBBON ADORNS OLD GREENWICH HOUSE FOR RIBBON CUTTING CEREMONY AND CHRISTENING OF WATERFRONT HOME

8 East Point Lane Home To Be Wrapped in Huge Ribbon

- WHO:** York & Company Building & Development, a HOBBI award-winning developer, will christen its newest spec home with an unusual event – a large ribbon cutting ceremony (with the ribbon tied around the house) and a champagne christening.
- WHAT:** Why all of the hoopla? The new home is on East Point Lane in Old Greenwich, just steps from the water's edge of Long Island Sound and Greenwich's Tod's Point beach. After months of building the picturesque waterfront home, York & Company is opening the house up for all of the neighbors to see. The home is a traditional shingle style shore colonial with some beach-loving twists – balconies on the front and back to take full advantage of the panoramic Long Island Sound and Greenwich Cove views, a two-story tower reminiscent of a New England lighthouse, a covered front porch to sit and enjoy the ocean breezes, and a widow's walk along the roofline, to watch for loved ones coming in from the sea.
- WHEN:** 1:00 p.m., Sunday, September 17, 2006 (Ribbon cutting and champagne Christening at 1:00 p.m.)
House will be open to the public from 1:00 – 4:00 p.m.
- WHERE:** 8 East Point Lane
Old Greenwich, CT 06870
